## SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
U.S. Patent and Trademark Office  
Washington, DC 20231

Dear Sir:

With respect to the examination of the above-referenced application, applicants cite the following document, a copy of which is enclosed. This document is also listed on an accompanying Form PTO-1449.

## UNITED STATES PATENT

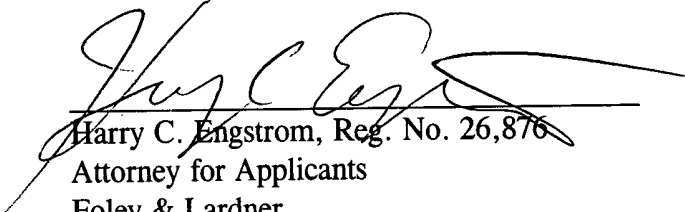

<u>Inventor(s)</u>	<u>Patent No.</u>	<u>Issue Date</u>
Beebe, et al.	6,488,872	December 3, 2002

### REMARKS

The above-referenced patent to Beebe, et al., issued December 3, 2002, relates to microfabricated devices. This patent claims priority from provisional application No. 60/145,554, filed July 23, 1999, from which the previously submitted PCT application publication WO 01/07506 also claims priority.

No Office Action has been received by applicants on this application. It is thus requested that the foregoing document be considered during examination of the above-referenced application and be made of record therein.

Respectfully Submitted,

  
Harry C. Engstrom, Reg. No. 26,876  
Attorney for Applicants  
Foley & Lardner  
150 East Gilman Street  
Post Office Box 1497  
Madison, Wisconsin 53701-1497  
(608) 258-4207
